## DREAM THE END ANNOUNCES: A MONTH OF RIZZOLI

New York, November 12, 2012—DREAM THE END ([www.dreamtheend.com](http://www.dreamtheend.com)) is proud to announce “A Month of Rizzoli.” DREAM THE END dedicates an entire month to their favorite Rizzoli titles in Art, Design, Fashion and New York themes for the holidays.

Beginning November 14th, DREAM THE END will unveil a curated selection of Rizzoli titles weekly. Starting with RIZZOLI: NEW YORK and followed by RIZZOLI: DESIGN, RIZZOLI: FASHION and RIZZOLI: ART. The roster of titles includes books featuring works from Kim Gordon, Balenciaga, Frank Lloyd Wright, Rick Owens, Def Jam, Martin Margiela, Velvet Underground and many more.

Currently based out of New York City, Rizzoli was founded in 1929 by an Italian publisher and is now a leader in the fields of art, architecture, fashion, and pop culture in the publishing world. Rizzoli has their ear to the pulse of current happenings in design, which translates to a long list of well- curated titles.

“Rizzoli is the best art book publisher in New York, and they have great design and fashion titles too so we couldn’t resist the opportunity to feature our favorites in each category for the holidays. There’s nothing like a beautiful book as a gift, I love both giving and receiving them always... but especially at Christmas!” – Dream The End CEO/ Creative Director, Melissa Jones.
